

Saturday Cinema

Join us at Saturday Cinema for snacks and a screening of *Results*, the hilarious self-improvement comedy.

Recently divorced, newly rich, and utterly miserable, Danny is proof that money can't buy happiness. Danny's well-funded misery is interrupted by a momentous trip to the local gym, where he meets self-styled guru/owner Trevor and irresistibly acerbic trainer Kat. Soon, their lives are inextricably knotted, both professionally and personally. *Results* is a light, well-toned comedy gem.
